

Dear HR Manager:

I am inserted in the position Software Developer, posted on.
With a **ReDI School** Completed **180** hours of computer software development.

RoR completed **144** hours of JavaScript, HTML and CSS.

REC Rechallenge 3 Months Internship working on Mobile App using Meteor-React/ **Materialise** css.

FIGD completed 449 hours of JavaScript, JQuery, Node.js, HTML5 and CSS3.

Net languages to create and implement software applications, I am confident I will be an asset to your organisation.

I enjoy being challenged and working on projects that require me to work outside my comfort and knowledge set, as continuing to learn new languages and development techniques are important to me and the success of your organisation.

Your listed requirements closely match my background and skills. I would like to highlight that would enable me to contribute to your bottom line are:

- systems analyst
- software development skills
- Front-end focus
- Ruby on Rails
- HTML/CSS/Material Design
- JavaScript/JQuery/React/Meteor/Node.JS

I've attached a copy of my resume that details my projects and experience in software development.

Thank you for your time and consideration. I look forward to hear from you about this opportunity.

Sincerely
Isa
